JIM'S VIEWPOINT

Two matches, three points — that as everyone knows is our most recent home record.

Yet the question posed for me was which one gave the most satisfaction.

On the face of it, the answer is simple — the win against Port Vale.

And yet, the purist in me, was more pleased in many respects with the performance against Scunthorpe.

For it was that match in which we played some of our best football of the season.

At this moment the thing of paramount importance for this club is to WIN because we are hell bent on getting out of Division IV.

If we can win — and play the kind of football we produced against Scunthorpe — it will be a bonus for me.

And certainly if we can win when we perhaps do not play quite as well as we can, I will also be very happy.

But those two matches served to underline once more for me what an ironic game this is.

Our performance against Scunthorpe was, overall, as good as any we have produced for a long time — yet we couldn't score.

Against Port Vale, our football was not as smooth, yet there were two goals to send everyone home happy — I suppose I'd settle for that for the rest of the season.

But the over-riding feeling which I have after the first month of the season is that things here are on the up.

That I think is due to a combination of factors; but by far the most important is that the players are approaching their job in a far more professional way.

There is a discipline on the field and an application which are vital — and perhaps for once the breaks are going our way as well.

Certainly I'm confident that if the players continue to approach their work in their present frame of mind, the days when Fratton Park was a happy hunting ground for Pompey will really be back.

It remains to be seen whether that happens tonight as we make history by meeting Wigan for the first time.

They are welcome and I hope that they soon find their feet in the League — although I would appreciate it if they wait until Saturday.

Commercial News

During the morning before kick-off against Port Vale, I was having a very interesting chat with a Supporter and his young son, who had travelled over from Guernsey for the game. I am very impressed by the amount of support that we get away from the mainland. I doubt if any club in the land could show the kind of support that Pompey fans give. Billy and Monty Waterman from Guernsey were very quick to sponsor a player's boots and I feel sure that now we are getting under way, many more sponsorships for Ball and Players' Boots and Training Shoes will be forthcoming.

Well done Chris Johnson of the London Supporters' Branch for completing your sponsored walk. Hope your feet are better by now!

A good pre-match presentation of the Mini Bus to the Club, received by Stan Harland, Empress Garages, have led the way once again, so that our Youth will not have any travel problems for many seasons to come.

May I make this one appeal to all our fans. We need Programme Sellers, Golden Goal Sellers, and Pompey Challenge Ticket Agents. Please rally round, in all these categories, please see myself or Mrs. Valerie Roberts in The Pompey Shop to enrol.

AROUND THE PARK

Welcome to Fratton Park this evening for our fifth home league match of the season. Welcome also to our visitors, Wigan Athletic, who have made the 230 mile journey south with a disappointing start to their return to the Football League after a 47 year absence. Indeed, Wigan (nicknamed the Latics) have been trying hard each season to regain league status since 1953 and have come close to being re-elected on many occasions but once non-league clubs such as Peterborough, Oxford, Cambridge, Hereford and Wimbledon have nosed their way in. But at last, on a second count of votes at the Football League A.G.M. in June, Wigan were elected by 29 votes to 20 at the expense of Southport.

At their large Springfield Park ground they have won just the once beating the other fourth division Lancashire side Rochdale 3-0. Grimsby Town 3-0, Bradford City 3-1 and Newport County 3-2 have all won at Wigan and apart from their 0-0 draw at Hereford on the first day of the season, Wigan's away form is none too impressive.

Cup matches seem to be Wigan's best competition — last season for instance, besides being runners-up in the Northern Premier League, they finished winners of the Lancashire Junior Cup, semi-finalists in the Premier League Challenge Cup and reached the third round of the F.A. Cup.

Like all clubs newly elected to the league, the attraction of new fans and collecting their programmes and souvenirs is vast. The town population of Wigan is 89,000 which perhaps explains their above average attendances and Springfield Park itself is a ground well worth a visit. The capacity is 30,000, seating 1,400 and has additional covered standing area for 10,000. The strong Development Association has helped the expenditure and growth on dressing-rooms, large floodlights, physiotherapy equipment and a car park. Needless to say many keen football fans will visit Springfield Park this season to chalk up another new league ground and purchase a programme which in years to come will be a valuable item. Many programme enthusiasts are collecting all the home and away programmes of Wigan's matches this season to make a unique set.

Pompey visit Wigan in February next year and it is pleasing to note that the M6, M61, M62 and the main London to Scotland railway-line all run through and near the town.

Our next match is at AFC Bournemouth in just 3 days time, kick-off 7.30 pm at Dean Court. We look forward to this south coast 'derby' and seeing many of our fans cheering the team on.

A week later brings Hereford United to Fratton Park and we will have played the three relegated Division Three sides of last season all at home. This match will bring a reunion between the United players and ex-Hereford men in our team, Peter Mellor and Steve Davey. A result of last season's score line would be most welcome.

There is certainly no shortage of goals in the first two months of this season especially in our division. After just seven sets of matches, we have had score-lines of 6-1, 6-0, 5-3, 5-1 and 4-3 and only six 0-0 results. But Crewe Alexandra, winning twice after their 3-0 defeat at Fratton earlier this month, seem to be conceding the most. Our next visitors, Hereford, scored five against them in the second half of their home match on September 16 and Crewe eventually crashed 6-1 at Edgar Street.
